

Mark your calendars and sign up now for the 3rd Annual acclaimed

Assistant Principal Leadership Forum III, Panama City

sponsored by the

William Cecil Golden Professional Development Program for School Leaders

conducted by the *Council for Educational Change*.

Scholarships are offered to every district through the Superintendent, which cover the two day development event and lunch, but do not include travel or accommodation should the participant opt to stay overnight.

The Forums are designed to develop the instructional leadership skills and fast track the professional development of Assistant Principals. The format is interactive and includes national experts and sessions in strategic instruction areas, such as Science.

OUTCOMES

Assistant principals will return to their school ready and able to use new skills and implement new strategies. They will be:

- developing a personalized leadership plan
- exploring personal leadership skills and strategies
- working hands on with mentors, experts and peers
- developing success strategies for Science and other content
- networking with peers
- returning with new online tools, resources
